Dear Dr. Haley:

I refer to your letter of February 27, 1981 requesting release of a document under the Freedom of Information Act and expressing interest in submitting a further request for the release of materials on U.S.-Libya relations in the 1970s. I refer also to our letter to you of July 13, 1981 advising of the releasibility, subject to excisions, of the requested document and to a telephone conversation on or about July 21, 1981 in which a member of our staff suggested that in order to assist you in formulating a further request we would send you copies of documents on U.S.-Libya oil relations that already had been released.

Accordingly, we are enclosing 398 documents on U.S.-Libya oil relations in the years 1970-72 that have been released in whole or in part.

If you should have any questions concerning this or additional material, please feel free to communicate with us, citing the case number shown above.

Sincerely,

JM
